Human Trafficking – Think it doesn't happen here? Think again! It's the fastest growing crime in America. Orange County is one of the leading counties in the U.S. for trafficking. Only 7% of trafficked girls were abducted/kidnapped. Danger lies more often in the familiar acquaintances rather than the unknown stranger. **Action Force Network's Veronica Stephens offers an interactive and informative presentation.**

breaking the chains of abuse

Due to the nature of material content, this educational event welcomes parents or adults only and is not suitable for student/youth attendance – thank you for your understanding
